PROFILE

ABOUT MYSELF

I am a dedicated web developer based in Indore with a passion for creativity and art. since childhood, i have loved creating things. My expertise lies in designing and building user friendly websites that combines aesthetics with functionalities. i continuously strive to innovate and enhance my skills, staying updated with the latest trend and technologies in the industry.

EXTRA-CURRICULA ACTIVITIES

GDSC CORE MEMBER

Selected as a foster of management and operation section in GDSC-CDGI

INCHARGE OF CREATIVITY TEAM IN COLLEGE FEAST

Got selected as a core member in my college feast twice for the creativity team where i successfully handled the whole decoration of the college and lead a team of 40+ people, here I learned how to work in team and how to work effectively

NSS VOLUNTEER

Gained valuable experience and learned new skills through my involvement with the National Service Scheme (NSS), such as event management, community engagement, and teamwork.
